

Serial No. 10/672,772

Atty. Doc. No. 2003P14907US

Amendments To The Specification:

The specification is objected to under 37 CFR § 1.75(d)(1) as failing to provide proper antecedent basis for the claimed subject matter.

Applicants respectfully submit that proper antecedent basis for "duct" is provided in the specification (see e.g. Applicants' specification, page 4 lines 17 – 21).
